ALPRIME CAPITAL CONSULTANCY

Q3 2026 Financial Performance & Cost Analysis Report

Location: Salhia Complex, Entrance 1, 4th Floor, Qibla, Kuwait City

1. Executive Summary

For the third quarter ended September 30, 2026, AlPrime Capital recorded total consolidated revenue of KWD 1,840,000, representing a 14.5% year-over-year increase compared to KWD 1,607,000 in Q3 2025. Gross profit reached KWD 1,196,000, lifting gross margin to 65.0%. Net operating income rose to KWD 478,400 (26.0% operating margin), driven by recurring CFO advisory retainers and automated cloud bookkeeping migrations.

Key Operational Highlights:

- Active corporate SME & family-office retainers grew from 68 to 84 clients.
- Client retention rate for multi-year bookkeeping contracts stood at 94.2%.
- Cash and short-term treasury reserves ended Q3 2026 at KWD 915,000 with zero bank debt.

2. Segment Revenue & Operating Cost Breakdown (Q3 2026)

Revenue by Practice Area:

- Accounting & Cloud Bookkeeping: KWD 790,000 (42.9% of total revenue).
- Fractional CFO & Financial Management: KWD 560,000 (30.4% of total revenue).
- Cost Analysis & Internal Control Audits: KWD 295,000 (16.0% of total revenue).
- Feasibility Studies & Market Research: KWD 195,000 (10.6% of total revenue).

Operating Expense Breakdown:

- Direct analyst and senior CPA payroll totaled KWD 812,000.
- Technology, ERP licensing, and cloud security infrastructure cost KWD 138,000.
- Salhia Complex office lease and general administration expenses totaled KWD 182,600.
- Staff training and IFRS compliance certifications accounted for KWD 29,000.

3. Liquidity, Receivables & Strategic Focus Notes

Working Capital & Receivables:
Average Days Sales Outstanding (DSO) improved from 46 days in Q2 2026 to 34 days in Q3 2026 after introducing automated milestone invoicing. Over 89% of accounts receivable are current within 30 days, and bad-debt provision remains capped at 0.8% of billed retainers.

Capital Allocation & Hiring:
Management approved KWD 110,000 for internal AI workflow tooling to speed up client financial statement reconciliation and regulatory memo drafting. Two senior IFRS specialists and one AI Data Analyst are scheduled to join the Kuwait City practice in November 2026.

Disclaimer: Figures in this Q3 2026 internal report cover July 1 through September 30, 2026 in Kuwaiti Dinars (KWD). Full-year 2026 audited statements will be published in February 2027.
